RE: SOURCE CHANGE

DATE: 21-MAR-1990

=====

When this Permit was written the point of diversion and place of use were listed in the NESE, Sec. 27, Township 04S, Range 04W. The source was listed as China Creek.

The examiner found the point of diversion and place of use in the SESE rather than the NESE and recommends that the source be changed to unnamed stream trib. to China Creek. Had the legal description on the Permit been correct the source would have been the same unnamed stream. A recommendation is made to treat this source change as a clarification because the intent of the applicant seems clear.
