Gentlemen:

In the October 30, 1975 issue of the OWYHEE NUGGET--
there appeared a notice of application for a water right
as of April 1, 1867. This application is on file as
publication #554019.

It is my understanding that a water right was filed at
Silver City, Idaho in 1898 for the same property. I am
protesting the attempt to set this date back 31 years.

Dear Mr. Gordon:

The Department of Water Resources has completed the processing of your claim to a water right, and no further action is authorized under Section 42-225a and 42-225b, Idaho Code. Your claim will be retained in our files and will be available at any time for use by you or the court.

As you are aware, the filing of a claim does not, in itself, guarantee you a water right; it only records and preserves the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included in your claim file, you may have that information or evidence added at any time. Please refer to your claim number when corresponding with this office.

We are enclosing, for your records, a copy of your claim. If you have any questions, or if we may be of further assistance, please feel free to call upon us.
