We are today in receipt of satisfactory affidavit for completion of works under your above numbered permit. Upon receipt of statutory fee of \$5.00, the certificate will be issued.

I am enclosing herewith blank notices for proof of use of water. These should be filled out and returned to this office in time for a copy of the notice to be mailed to the paper, to be designated by you, for the required four weeks publication prior to the date of making proof. Deposition blanks will then be mailed to the notary public, one for yourself and one each for two witnesses.

License will be issued for the amount of water actually used, allowing an inch to the acre for the land under cultivation and irrigation.

Very truly yours,
W. G. SWENDSEN,

INSTRUCTIONS

PROOF OF COMPLETION OF WORKS

Miss E. Craig,
Branson, Idaho.

Boise, Idaho,
August 1, 1923.

Dear Sir:—

Under the terms of your permit No. ¹⁵⁰¹⁰..... you are required to complete your diversion works on or before ^{Nov. 20, 1923.}..... I enclose herewith blank affidavit to be filled out, sworn to by you before a Notary Public or a Justice of the Peace, and returned to this office on or before the above date, or within ten days thereafter, for the purpose of making proof of completion under the permit. Upon receipt of this affidavit in this office, provided the same satisfactorily shows the completion of the works substantially in accordance with the terms of the permit, together with a fee of \$5.00, a Certificate of Completion will be issued to you.

The certificate to be issued under this proof will not give a perpetual right to the use of water for which application was made, as it only confirms the completion of works of a capacity to divert and convey to the place of intended use a certain amount of water. The law requires that another proof be submitted when the water has been fully applied to a beneficial use, at which time license is issued for the amount of water actually in use. Information in regard to this last proof will be furnished on request.

Yours truly,
W. G. SWENSON.

Commissoner of Reclamation.
