Gentlemen: Am herewith sending in proof of Completion of Works of Paul Fromm. From the copy of Permit in Mr. Fromm's possession it appears that the source of water supply is erroneously given, if, in fact, it is a correct copy. The source is, of course, Harris Creek, but in the blank space reserved therefor in the Permit, this copy says the source is "Fromm Reservoir," a palpable error

Enclosed find also the five-dollar fee to accompany affidavit of completion of works

Very truly yours,

Charles Pascoe

P S.--Please address all matters in connection with the above to myself, at Mr. Fromm's request.--C.P
