County: Owyhee
Stream: South Branch of Long Gulch
Amount: 3 cu.ft.
Use: Mining & milling
Priority: August 4, 1910.

STATE OF IDAHO
Water License No. 6566

WHEREAS, On the 4th day of August, A. D. 1910,
The Banner Mining & Milling Company
of Silver City, County of Owyhee, State of Idaho, duly made application
(No. 9341) to me for a permit to use three (3) cubic feet per second of the waters
of South Branch of Long Gulch
County of Owyhee, State of Idaho, for mining & Milling purposes, and,

WHEREAS, On the 10th day of September, A. D. 1910, Permit No. 6566 was issued
to said applicant for the diversion of said water and providing for the completion of the works of diversion
therein described on or before the 10th day of September, A. D. 1912, and for the application to ben-
eficial use of said water on or before the 10th day of September A. D. 1914, and,

WHEREAS, On the 5th day of September, A. D. 1912,
The Banner Mining & Milling Company
the holder of said permit, duly made proof of the completion of adequate works for the diversion of
three (3) cubic feet per second of said waters, as evidenced by my Certificate No. 6566
dated September 10, 1912, confirming the completion of works of sufficient capacity for diverting and
conveying to the place of intended use three (3) cubic feet per second of said water,
with date of priority of August 4, 1910, and

WHEREAS, On the 23rd day of July, A. D. 1914,
The Banner Mining & Milling Company
the holder of said permit, duly made proof of the application to beneficial use of three (3) cubic
feet per second of said water:

NOW, THEREFORE, By virtue of authority vested in me by the laws of the State of Idaho, I
hereby grant and confirm to The Banner Mining & Milling Company

of Silver City, County of Owyhee, State of Idaho, the holder and owner
of said Permit No. 6566, a perpetual right, dating from August 4, 1910
to the use of three (3) cubic feet per second of the waters of South Branch of
Long Gulch

in the County of Owyhee and State of Idaho, or so much thereof as may be necessary for the
purposes hereinbelow mentioned, to be diverted at a point in the NW₄ of SE₄, Sec. 12, T.
5 S., R. 4 W.B.M.,

and conducted to ~~XXXXXX~~ the mill of the Banner Mining & Milling Company, located in
the SE₄ of NE₄, Sec. 12, T. 5 S., R. 4 W.B.M.

for the purpose of mining & Milling, subject, however, to the laws of the
State of Idaho, applicable to a license for the use of the waters of the State, and subject, also, to the local
or community customs, rules and regulations which have been or may be adopted from time to time by
a majority of the users from a common source of supply, canal or lateral from which such water may
be taken, when such rules and regulations have for their object the economical use of such water.

WITNESS, My hand and the seal of my office at Boise, Idaho, this 12th day of August
A. D. nineteen hundred and fourteen.
F. P. King,

ditional years.

BE IT KNOWN That the undersigned hereby makes application for a permit to appropriate the public waters of the State of Idaho as herein set forth.

The Banner Mining & Milling Co.,

Applicant.

By..August Grete,...Agent.
Secy.-Treas.

APPROVAL OF STATE ENGINEER.

oooooooooooo

The number of this permit is 6566,

Date of first receipt of application: 9:00 a.m. August 4, 1910.

Returned to applicant for correction August 4, 1910.

Corrected application received: September 3, 1910.

Recorded in Book 19, Page 6566. Approved September 10, 1910.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Idaho and hereby grant the same, subject to the following limitations and conditions:

Work to begin on or before November 9, 1910, and to continue diligently and uninterruptedly to completion, unless temporarily interrupted by circumstances over which permit holder has no control.

One-fifth of the work above specified to be completed on or before September 10, 1911.

The whole of said work to be completed on or before September 10, 1912.

The time for proof of beneficial use of water appropriated in accordance herewith, extended to September 10, 1914.

Witness my hand this tenth day of September, 1910.

D. G. Martin

State Engineer.

Notice of proof of completion of works received, fixing September 5, 1912, as date and Silver City, Idaho, as place of proof.

Publication notice mailed the Silver City Nugget, July 27, 1912.

Deposition blanks mailed the applicant at Silver City, July 27, 1912.

F. W. Hulett authorized July 27th to make examination and report.

Report received August 6, 1912.

Depositions, affidavit of publication and fee received September 9, 1912.

Certificate issued September 10, 1912.

Permit No. 6566.

CERTIFICATE OF COMPLETION OF WORKS.

To All Whom it May Concern:

This is to certify that THE BAMBER MINING & MILLING COMPANY, of Silver City, County of Owyhee, and State of Idaho, the holder of Permit No. 6566, issued upon Application No. 9341, bearing date of priority of August 4, 1910, authorizing the diversion of three (3) second-feet of the waters of South Branch of Long Gulch, County of Owyhee, State of Idaho, for mining & milling purposes, has fully complied with the provisions of the laws of the State of Idaho relating to the proof of completion of the works of diversion set out and described in said Permit; that said works are adequate for diverting and conveying to the place of intended use three (3) second-feet of the waters of South Branch of Long Gulch; that the point of diversion of said waters is in the Northwest quarter of Southeast^{quarter} of Section 12, Township 5 South, Range 4 West of Boise Meridian, and that the place of use of said water is at mill in SE4 of NE4 of Section 12, Township 5 South, Range 4 West of Boise Meridian.

Witness my hand this 10th day of September, A.D. 1912.

A. E. Robinson,

State Engineer.
