RE: Security Interest in Water Right 36-8382

Dear Ms. Kriegh:

The Department of Water Resources acknowledges receipt of your letter regarding a security interest in the above referenced water right. Our review of your notice indicates that additional information is required before we can process the change.

A Notice of Change in Water Right Ownership form will be required to change the ownership of this water right which was licensed by the Department on August 2, 2002. I have enclosed an ownership change form for your convenience. Please note that there is a **\$25.00** filing fee required for the processing of an ownership change.

Because the Department cannot process the ownership change without proper documentation or fees, we will hold any action on your notice pending receipt of the necessary information and fees. If we do not receive the necessary information and fees within **30 days** we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call me at 208-287-4952.

Sincerely,

Kari Lynn Townsend
Secretary
