RE: Water Right License 67-7531

Dear Water Right Holder:

The Department of Water Resources (IDWR) has issued the enclosed correction to Water Right License 67-7531. The corrected license is necessary to show that you developed a right to irrigate 6.1 acres, as reported by IDWR's field examiner in 1993, not the 22 acres originally licensed by mistake. The corrected license is a preliminary order issued by IDWR pursuant to Idaho Code § 67-5243 and IDWR's Rules of Procedure (IDAPA 37.01.01). The corrected water right license supersedes the license issued on January 10, 1994. **The preliminary order can and will become a final order without further action of the Department unless you petition for reconsideration or file an exception and/or brief as further described in the enclosed information sheet.**

If you have questions, please contact me at (208) 287-4947.

Sincerely,

Shelley W. Keen
Water Rights Supervisor
