RE: Telephone conversation

Cathy Andrews phoned today to ask if IDWR had received her check #1205 in the amount of \$50.00 written on 8-23-99 and forwarded with the Proof of Beneficial Use form that she sent to us.

There is no record of having received a check shown on the B/U form nor is there a notation indicating **NO CHECK RECEIVED**.

I checked with Nancy Curry in Fiscal and she found no record of having received the Andrews check.

I telephoned Mrs. Andrews and left a message for her to sent another check since the check she says she sent has apparently been lost. I made a copy of the B/U form and left it with Jean Masi at the Reception desk so she could match the check with a file when it is received.

PROOF DUE NOTICE

RE: PERMIT NO. 72-07542

Dear Permit Holder:

One of the conditions of approval of the above referenced water permit was that proof of the extent of your beneficial use must be submitted to this office on or before September 1, 1999.

(See last page of your approved permit or your last approved extension request.) Enclosed is a form which when accompanied by the license examination fee or a complete field examination report prepared by a certified water right examiner may be used to submit the required proof.

If you have not fully completed your project, and you or a previous owner of this permit have not received a prior extension of time, you may request an extension of time if the delay is for reasonable cause as provided in Section 42-204, Idaho Code. If you have been prevented from proceeding by a governmental agency or by litigation which might bring title to the water in question, more than one extension of time can be granted. An extension of time request form is enclosed for your convenience.

Either an acceptable proof of beneficial use submittal or an acceptable request for an extension of time must be received by this department on or before the above described proof due date. If neither is received, the department will send you a lapse notice. Within sixty (60) days of the mailing of the lapse notice, the permit will no longer be of any force nor effect.

SINCERELY,

JULIE L. YARBROUGH
Senior Secretary

Dear Applicant(s):

The Department of Water Resources acknowledges receipt of your water right application for permit. The application has been assigned the above referenced identification number. Please refer to this number in all further correspondence.

This office has scheduled advertising the application in The Challis Messenger for 8/8 & 8/15/96. A period of ten days following the second publication will be allowed for the submittal of protests.

If an application is protested you will be sent a copy of the protest. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

Dear Mr. & Mrs. Andrews:

Our office has received your partially completed application forms with attachments and has retained them in our office. If the draft fills your needs then sign it and return it to our office. If you have any questions about the draft application please feel free to contact our office. If the draft does not meet your needs I have enclosed another application form for you to complete with instructions.

Please also find enclosed your receipt for your payment of fees for your application.

Sincerely,
