RE: Water Right No. 72-07303

Dear Mr. Hansen:

I recently received correspondence indicating your business as lienholder on the above referenced water right. This right was licensed September 29, 1986.

In Idaho, decreed, licensed, and claimed water rights are considered real property; therefore, proof of owning the land is proof of owning the water right unless extenuating circumstances exist. Water right statute does not provide a means for changing owner of record or adding lien holder on licensed water rights; although, I have placed your correspondence in the water right file.

A Snake River Basin Adjudication (SRBA) claim has been filed on this license. I have forwarded a copy of your letter to the Adjudication Bureau for their review and action.

If you have any questions, please feel free to contact me directly at 327-7944.

Sincerely,

Cindy Zimmerman
