Re: Claims to a Water Right
Spring (042-9) Trib. to West Fork Morgan Creek
Spring (042-68) Trib. to Gooseberry Creek
Spring (042-18) Trib. to Morgan Creek

Gentlemen:

Returned herewith are three claims to water rights in the Challis National Forest which are being reviewed by this office prior to advertising.

The points of diversion and places of use described in items 5 and 6 of the claims do not agree with the locations indicated by the maps on the claim forms.

Because of this conflict, we are uncertain of the correct locations for these stockwater developments.

Please review the claims and make the necessary changes and return them to this office for completion of processing.

If you have any questions, please feel free to contact this office.

Very truly yours,

Loren O. Holmes
