(8) Remarks

In past thru summer months water thru Warm Springs Creek was mainly due to overflow from Challis Irrig. Co. Canal. This water was used to irrigate. Since earthquake in 1983 Warm Springs Creek has increased its discharge and water may be available year-round in this reach of the creek. Thru winter months water has been used for stockwater.

Be it known that the undersigned, being duly sworn, deposes and says that he, she, they subscribed the foregoing claim to a water right, together with all attached information, and that the matters and facts therein are true to the best of the affiant's knowledge.
