Gentlemen:

This office has received a statement of beneficial use postcard (copy enclosed) for water right No. 72-4131. However, this water right is in the form of a claim. Therefore, no postcard is needed for this right.

In researching our records, we find another water right recorded in your name. This right is in the form of a permit, No. 72-7107 (copy enclosed). The proof due date for this permit is September 1, 1985. I am wondering if this is the water right for which you submitted the postcard. The uses are a little different on the permit than on the postcard. Therefore, I am enclosing another postcard for your use. If the system as described on the permit is complete, you can fill out and return the card to our office.

If we can be of further assistance to you, please let us know.

Sincerely,

SHARLA CURTIS
Gen. Typist
