

MICROFILMED

STATE OF IDAHO
DEPARTMENT OF WATER RESOURCES
CLAIM TO A WATER RIGHT

JUN 10 1982

Under the provisions of Section 42-243, Idaho Code, any person using or claiming rights to the public waters of Idaho established by diversion and application to a beneficial use must file a claim with the Department of Water Resources on or before June 30, 1983. Exempted from this filing are single family domestic uses as defined in Section 42-230(d), Idaho Code. Also exempted are rights represented by a permit, license, decree, adjudicated right, or a previously filed claim.

The filing of this claim does not confirm the water right claimed but failure to file may result in forfeiture of a water right.

Notice is hereby given that Carole K. Evers

(Name of Claimant)

P.O. Box 146, Stanley, Idaho 83278

Telephone No. 838-2353

(Mailing Address)

(Zip Code)

claims a right to the diversion and beneficial use of the surface or ground water. The extent and nature of said claim is as follows:

(1) Date of priority: (When was the water first applied to a beneficial use) 1916

A claim is not acceptable on a ground water source with a priority later than March 25, 1963 or on a surface water source with a priority later than May 20, 1971. An exception is that a claim may be filed on single family domestic use from a ground water source.

(2) Describe the source of water: (Name of stream, lake, spring, etc., or ground water)

3 Unnamed Hot Springs tributary to Warm Springs Creek

(3) Describe the purpose for which the water has been used and the time during the year when you have used the right claimed:

Dear Mr. and Mrs. Sorensen:

Re: Claim to Water Right Nos. 72-4092, 72-7093, 72-7094 and 72-4112;
Licensed Water Right No. 63-3447; and Permit Nos. 63-9080, 63-9081
and 63-9082

I acknowledge receipt of the assignment received in this office on May 10, 1983 on all the above referenced water rights. Since the licensed right and claims are considered real property and the water rights are appurtenant to the land, the assignment has been placed in those records for future reference. The department's records do, however, reflect the change in name for Permit Nos. 63-9080 and 63-9081. Since Permit No. 63-9082 has lapsed and you have no interest in it, the assignment will have no effect on this permit.

Enclosed is a copy of the orders reinstating Permit No. 63-9080 and 63-9081. Since the statement of beneficial use postcards were received under the provisions of Section 42-218a, amended, the permits have been reinstated with an advance in priority to May 10, 1983. Note that I changed the number on one postcard from 63-9082 to 63-9080 based on a memo to the file from Lee Sisco (copy enclosed) and our telephone discussion. If this is incorrect, please advise me. Also, I've enclosed the memo from file 63-9081 for your records.

If I can be of further assistance or if you have any questions, please feel free to contact me at 334-4290.

Sincerely,

RITA I. FLECK

Dear Rita:

Pursuant to our telephone conversation yesterday, I am sending you the postcard confirming beneficial use of the water applied for by me under permit application No. 63-9082.

I am also sending you a photocopy of the postcard to confirm beneficial use of the water applied for under permit application No. 63-9081, which has lapsed.

Because the company that sold and delivered the mobile home which uses the water under application No. 63-9081 is no longer in business, I am unable to document the time of delivery of the mobile home. However, I have prepared a signed and notarized statement testifying to the time of hookup of that springbox and pipeline to the mobile home, in which I was residing at the time of hookup.

I hope this will suffice to reinstate the lapsed claim.

I also enclose the assignments of right and title from me, in my former name, to myself and/or my husband. This should simplify things for everyone concerned, putting all water right claims and licenses sought or held by us in one name at one address (as above.)

I thank you again for the time and patience you have given to me. The Department is obviously greatly benefitted by your employment there, with respect to the good will you generate to its applicants.

Sincerely,

CAROLE SORENSEN

I, Carole Evers, now known as Carole Sorensen by marriage to Rick Sorensen, hereby assign to Rick Sorensen and/or Carole Sorensen all right and title to the water right claims, applications for permit, and/or licenses listed hereinbelow:

1. Claim No. 72-4092
2. Claim No. 72-4093
3. Claim No. 72-4094
4. Claim No. 72-4112
5. Application for Permit No. 63-9080
6. Application for Permit No. 63-9081
7. Application for Permit No. 63-9082
8. License of Water Right No. 63-3447

Dear Ms. Sorensen:

Re: Claim to Water Right Nos. 72-4092, 72-4093, 72-4094 and 72-4112
License No. 63-3447, Permit Nos. 63-9080, 63-9081 and 63-9082

Pursuant to our telephone conversation of last week, enclosed are several blank assignment forms and copies of water rights I found under the name of Carole Evers.

Claims to Water Right Nos. 72-4092, 72-4093, 72-4094 and 72-4112 are for your property near Stanley. Nothing further is required for these rights.

Water Right No. 63-3447 is licensed and requires nothing further to confirm the right unless either the place of use or point of diversion is moved outside of their present 40-acre tracts, then a transfer would be needed.

The three water rights I was concerned about are Permit Nos. 63-9080, 63-9081 and 63-9082. Permit Nos. 63-9080 and 63-9081 have permanently lapsed and can only be reinstated under the provisions of Section 42-218a, paragraph 2, copy enclosed. That is, if the projects were completed.

Permit No. 63-9082 is still in good standing and will be until June 1, 1983. See the enclosed notice letter describing what is necessary to keep the permit in good standing.

Please review the information provided. If I can answer any questions, please feel free to contact me.

Sincerely,

RE: Claim No. 72-4112

Dear Claimant:

The Department of Water Resources has completed the advertising of your claim to a water right, and no further action is authorized under Section 42-243 and 42-244, IDAHO CODE. Your claim will be retained in our files and will be available at any time for use by you or the court.

The filing and advertising of the claim does not confirm the water right claimed, but will serve to record and preserve the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included with the claim, you may have that information or evidence added at any time. Please refer to the claim identification number when corresponding with this office.

We are enclosing a copy of your claim for your records. If you have questions, or if this office may be of further assistance, please feel free to contact us.

Yours truly,

ALLEN D. MERRITT
