Dear Mr. Iverson:

Returned herewith are the depositions and affidavits of publication for the 26 wells located on the Challis National Forest in Idaho. Please note that the proofs were to be made the 14th day of September, 1964 as advertised in the newspaper. However, the depositions were taken a month early on August 14, 1964. Also questions #5, 6a, and 10 on most of the depositions of holders were left blank.

We will require a notarized statement from Mr. Rossil Sharp that his office was open on September 14, 1964, and that no protests were received on any of the permits between August 14th and September 14th, and an explanation of why the proofs were taken a month early. Please answer questions #5, 6a, and 10 on the depositions of holders that were left blank, and return to this office.

Very truly yours,

RUDEN W. MOORE
