RE: Change in Ownership of Decreed Water Right No 72-00020G

Dear Mr. & Mrs. Cain:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below

✓ Filing Fee of \$25 per water right

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. We have determined that the filing fee for your notice will be \$25.00.

Because the Department cannot process the ownership change without proper fees, we will hold any action on your notice pending receipt of the necessary fees.

If we do not receive the necessary fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call me at 208-327-7941.

Sincerely,

Kari Lynn Townsend
Secretary
