H. REMARKS AND OVERLAP REVIEW ANALYSIS

SARA claim not filed as of 7-30-91. I notified Mr. Stark on 7-30-91 that he needed to file a claim; he said he would contact the Boise office to do so.

Cabin gets only occasional summer use. Maximum use would be 2 days/week from 5-1 to 10-1 (44 days/ann).

Watering of ground ground cabin is mainly for fire protection. Land is served by old irrigation ditches from Goat Cr. orthogund

Land is nearly impossible to locate on the 1964 quad map, but the 1974 advance print shows the main road to the property. Although the locations marked in red on the exam map may not be exactly correct, I feel confident that the legal descriptions shown in the exam are correct to the 40-acre tract. 1987 exam was incomplete, so I started from scratch to obtain information.
