SPECIAL USE PERMIT

Challis National Forest.

Permission is hereby granted to Albert R. Chorn

of 720 Thoma Street, Reno, Nevada

hereinafter called the permittee, to use, subject to the conditions set out below, the following-described lands or improvements: Ditch right of way - Beginning at a point on Stanley Lake Creek in Section 26, T.11N., R.12E., Boise Meridian, Idaho, and running in a southeasterly direction thru Section 26 and into Section 25, a distance of approximately 1 mile to H.E.S. #578.

This permit covers - acres and/or approximate 1 miles for the purpose of:

Repairing and maintaining irrigation ditch

The exercise of any of the privileges granted in this permit constitutes acceptance of all the conditions of this permit.

1. In consideration for this use, the permittee shall deposit with the Regional Fiscal Agent, Forest Service, issued free of charge in accordance with Reg. U-11(G) /, a check draft or money order made payable to the Treasurer of the United States in the sum of \$ x dollars (\$ x) for the period from 19 x to 19 x and thereafter annually on x

x dollars (\$ x) The charges for this use may be readjusted from time to time to place this permit on a basis consistent with the charge to other permittees for like privileges.

18. Install headgate where ditch leaves Stanley Lake Creek of sufficient size to prevent high water from washing out the ditch and causing damage to forest land.

19. Construct a bridge over the ditch where the sheep driveway crosses the ditch. The bridge must be at least 16 feet wide and winged.

20. Construct a bridge over the ditch where the Job Creek Road crosses. This bridge must be sufficiently wide to accommodate stock and logging trucks and must be able to support a fifteen ton load.

21. Lop and scatter all limbs from green trees that are or will be knocked down when opening up the ditch.

22. Compensation to the United States shall be made by the permittee for any damage caused to property of the United States through the overflow of water.

23. This permit will not confer any rights upon the permittee to the use of the water involved.

Page 2
2. Construction or occupancy and use under this permit shall begin within at once ~~months~~, and construction, if any, shall be completed within 1 week ~~months~~ from the date of the permit. This use shall be actually exercised at least 120 days each year, unless otherwise authorized in writing.

3. Development plans; lay-out plans; construction, reconstruction, or alteration of improvements; or revision of lay-out or construction plans for this area must be approved in advance and in writing by the forest supervisor. Trees or shrubbery on the permitted area may be removed or destroyed only after the forest officer in charge has approved, and has marked or otherwise designated that which may be removed or destroyed. Merchantable timber cut must be paid for by the permittee. Trees, shrubs, and other plants may be planted in such manner and in such places about the premises as may be approved by the forest officer in charge.

4. The permittee shall maintain the improvements and premises to standards of repair, orderliness, neatness, sanitation, and safety acceptable to the forest officer in charge.

5. This permit is subject to all valid claims.

6. The permittee, in exercising the privileges granted by this permit, shall comply with the regulations of the Department of Agriculture and all Federal, State, county, and municipal laws, ordinances, or regulations which are applicable to the area or operations covered by this permit.

7. The permittee shall take all reasonable precautions to prevent and suppress forest fires. No material shall be disposed of by burning in open fires during the closed season established by law or regulation without a written permit from the forest officer in charge or his authorized agent.

8. The permittee shall exercise diligence in protecting from damage the land and property of the United States covered by and used in connection with this permit, and shall pay the United States for any damage resulting from negligence or from the violation of the terms of this permit or of any law or regulation applicable to the national forests by the permittee, or by any agents or employees of the permittee acting within the scope of their agency or employment.

9. The permittee shall fully repair all damage, other than ordinary wear and tear, to national forest roads and trails caused by the permittee in the exercise of the privilege granted by this permit.

10. No Member of or Delegate to Congress or Resident Commissioner shall be admitted to any share or part of this agreement or to any benefit that may arise herefrom unless it is made with a corporation for its general benefit.

11. Upon abandonment, termination, revocation, or cancellation of this permit, the permittee shall remove within a reasonable time all structures and improvements except those owned by the United States, and shall restore the site, unless otherwise agreed upon in writing or in this permit. If the permittee fails to remove all such structures or improvements within a reasonable period, they shall become the property of the United States, but that will not relieve the permittee of liability for the cost of their removal and restoration of the site.

12. This permit is not transferable. If the permittee through voluntary sale or transfer, or through enforcement of contract, foreclosure, tax sale, or other valid legal proceeding shall cease to be the owner of the physical improvements situated on the land described in this permit and is unable to furnish adequate proof of ability to redeem or otherwise reestablish title to said improvements, this permit shall be subject to cancellation. But if the person to whom title to said improvements shall have been transferred in either manner above provided is qualified as a permittee, and is willing that his future occupancy of the premises shall be subject to such new conditions and stipulations as existing or prospective circumstances may warrant, his continued occupancy of the premises may be authorized by permit to him if, in the opinion of the forest supervisor, issuance of a permit is desirable and in the public interest.

13. In case of change of address, the permittee shall immediately notify the forest supervisor.

14. The temporary use and occupancy of the premises and improvements herein described may not be sublet by the permittee to third parties without the prior written approval of the forest supervisor and the permittee shall continue to be responsible for compliance with all conditions of this permit by persons to whom such premises may be sublet.

15. This permit may be terminated upon breach of any of the conditions herein or at the discretion of the regional forester or the Chief, Forest Service.

16. In the event of any conflict between any of the preceding printed clauses or any provision thereof and any of the following clauses or any provision thereof, the preceding printed clauses will control.

17. This permit is subject to the conditions set forth above and to conditions 18 through 23 ~~xx inclusive~~ attached hereto and made a part of this permit.

Dear Mr. & Mrs. Boyle:

We acknowledge receipt of the affidavits submitted as proof of beneficial use for the above referenced permits.

Before licenses can be issued, field examinations must be made by a representative of this Department. We cannot tell just when these examinations will be made, but our examiner will try to contact you at the time he makes the examinations, so that you may show him the systems.

If you have any questions concerning the field exams, please contact our Southern District Office at 1041 Blue Lakes Blvd., North, Twin Falls, Idaho.

Sincerely,

D. Darlene Reich
Water Rights Supervisor

Gentlemen:

The above referenced application was to have been published in your newspaper on November 29 and December 6, 1973.

In the cover letter, which was sent with the legal notice, we requested that you submit to us a galley proof for review before publication. Since the Department failed to receive a galley proof prior to publication, we have no way of knowing whether you have advertised this application. We trust that it is being taken care of by your staff.

If you have not taken action on this legal notice, please contact our office by telephone immediately.

Very truly yours,

Janet M. Messersmith

RE: Application No. 71-7023 - W. Dean and/or Alice R. Boyle, Jr.

Custer Publishing Co.
P.O. Box 405
Challis, Idaho 83226

Gentlemen:

Enclosed you will find a legal notice which we wish to have published once a week for two consecutive weekly issues of your newspaper. We have inserted the publication dates allowing ample time for you to submit us a galley proof for review before publication.

After sending us a galley proof, proceed with the publication on the dates we have inserted, assuming the notice is correct. If we have any corrections, we will notify you before the first publication. If you cannot publish the notice on the proposed dates, please contact us immediately.

An affidavit of publication must be submitted to the Department along with the publication bill. In order to receive payment, the following certification must appear on the bill:

"I hereby certify that the foregoing account is just and correct, that the amount claimed is legally due, after allowing all just credits, and that no part of the same has been paid."

(signature of claimant)

Very truly yours,

Bob Haynes
