With respect to the issues determined by the above judgment or order, it is hereby CERTIFIED, in accordance with Rule 54(b), I.R.C.P., that the court has determined that there is no just reason for delay of the entry of a final judgment and that the court has and does hereby direct that the above judgment or order shall be a final judgment upon which execution may issue and an appeal may be taken as provided by the Idaho Appellate Rules.

Response to question #9 on the Application for Extension of Time to Avoid Forfeiture of a Water Right:

9. The five year statutory period of non-use for establishing forfeiture tolls upon the filing of a claim in the SRBA until a Partial Decree is issued. The Partial Decree for this right was issued on March 16, 1999. *See, In Re: SRBA Case No. 39576, (Wood v. Trout) 65-05663B, Order of Partial Decree, May 13, 2002.* This water right has not been put to beneficial use since March 16, 1999.

ATTACHMENT C

Response to question #10 on the Application for Extension of Time to Avoid Forfeiture of a Water Right:

10. The United States believes that it has valid defenses to forfeiture including but not limited to Idaho Code §42-223 (6). However, as a matter of comity, the United States files this *Application for Extension of Time to Avoid Forfeiture of a Water Right* as a precautionary measure.

Until such time that the United States may be able to put the water to beneficial use, the United States requests a five year extension of time. During this period the United States will work with the IDWR to explore alternative solutions for resumption of use of this water right, including consideration of placing this water right in the Water Bank operated by the Idaho Water Resource Board.

Re: (19) Applications for Extension of Time To Avoid Forfeiture - Basin 71 (Blaine and Custer Counties)

Dear Applicants:

The Department of Water Resources acknowledges receipt of your Applications for Extension of Time to Avoid Forfeiture as referenced above.

This office has scheduled advertising the applications in the Challis Messenger for 4/15 & 4/22/04; in the Wood River Journal on 4/14 & 4/21/04; and also in the Idaho Statesman, Lewiston Morning Tribune, Post Register, and Times News on 4/15 & 4/22/04.

The advertisement will be published for two weeks, and a period of ten days following the second publication will be allowed for the submittal of protests. (May 3, 2004)

If an application is protested you will be sent a copy of the protest. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

If the application is not protested, it will be forwarded to our State Office in about five weeks. State office personnel will conduct a complete review prior to final processing of the application and will notify you of the outcome of this review. A typical processing time for an unprotested application is about eight weeks.

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely,

Mary A. Baldwin
