RE: Change in Ownership for Water Right 65-17355

Dear Mr. & Mrs. Poole:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

* ☒ Filing Fee of \$25 per water right

* ☒ Evidence of Water Right Ownership: copy of Warranty Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

* ☒ Legal Description of Property

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. The filing fee for your notice will be \$25.

In addition to the filing fee, we cannot process your ownership change until we receive Evidence of ownership of the property with its legal description. As referenced above, a **Warranty Deed, Title Policy, or Contract of Sale** will be sufficient for this purpose.

Because the Department cannot process the ownership change without proper documentation fees, we will hold any action on your notice pending their receipt. If we do not receive the necessary information and fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.
