Dear Mr. and Mrs. Schrier:

Because the Payette River drainage basin is being adjudicated and you nor Mr. Creamer filed a claim prior to October 19, 1977, we must advance your priority date to October 19, 1987. This date will give you an earlier water right than filing a September 1980 application.

If we do not hear from you within 10 days, we will automatically correct the priority date on your claim and continue processing the filing.

We apologize for the inconvenience as the error was ours when the claim was filled out.

Very truly yours,

ERVIN E. BALLOU
