RE: PERMIT NO. P65-12806

Dear Permit Holder:

Enclosed is a copy of your approved application for permit. We direct your attention to the conditions of approval on the final page.

Please note the requirement that as a permit holder you must commence the excavation or construction of diverting works within one year of the date the permit was issued, and you must proceed diligently until the project is completed. The enclosed blue card must be completed and returned to this office as soon as you commence construction, no later than one year from the date the permit was approved.

We have enclosed a form entitled "Instructions for Proof of Beneficial Use". Please read the instructions carefully since you must take further action to develop this permit into a license.

U.S. Dept. of Interior
Bureau of Land Mgmt.
3380 Americana Terrace
Boise, ID 83706

Gentlemen:

In a review of our records, we came across the above referenced application for a water permit. Enclosed for your information is a copy of the application.

Please note that this application was received by our office on July 2, 1987, and our office billed you for the \$30.00 filing fee under blanket purchase order #ID-910-BP7-0015. On September 8, 1987, through phone conversation with Monty McClendon, this application was amended to a different point of diversion and place of use than originally described. The filing fee for the amending of this application was \$20.00 and billed under blanket purchase order ID-910-BP7-0015. As far as we can tell, neither of the fees for this right were ever received by our Department.

In order for our Department to finalize action on this application, we request that you submit the \$50.00 fee at your earliest convenience.

If we do not receive the filing fee on or before October 30, 1989, we will begin procedures to void this application from our records.

Sincerely,

KAY WALKER
