Enclosed are copies of your approved Applications for Permit. We direct your attention to the conditions of approval on the fourth page of each permit.

The 1982 Idaho Legislature added a requirement that as a permit holder you must commence the excavation or construction of diverting works within one year of the date the permit was issued, and you must proceed diligently until the project is completed. The enclosed blue cards must be completed and returned to this office as soon as you commence constructions, no later than one year from the date the permits were approved.

We have enclosed instructions entitled "Making Proof of Beneficial Use". Please read the instructions carefully since you must take further action to develop these permits into licenses.
