RE: Payette River Adjudication Claim 65-9025 and Application for Permit

Dear Mr. Rohlifing:

In reviewing the Adjudication claim that you submitted to us on December 3, 1974, I have determined that an Application for Permit was solicited from you on June 7, 1977 because the claim you submitted lists water uses for two households. Only single family domestic and stockwater use are exempted from filing with this Department after March 25, 1963. Thus, if your water use is for two households, you should file an Application for Permit. I have taken the liberty of filling out a new Application for you (with your name spelled correctly) in the event that you wish to file an Application for Permit. I have also enclosed a new Adjudication Claim to include the use covered by the application in the current court proceedings. To complete the filing, sign the Application on page 3, sign the Adjudication Claim before a notary, and return both to us along with the \$10.00 Application filing fee.

If, on the other hand, your current water use is for a single household and stockwater only, the filing you have already made is sufficient.

If I can answer any questions you have, please contact me.

Sincerely,

Bill MacAllister
