RE: Change in Ownership for Water Rights 65-8079

Dear Mr. & Mrs. Hicks:

The Department of Water Resources would like to thank you for your patience and cooperation in attempting to process the Ownership Change for your Water Rights. However, despite the new paperwork that you left with Kari Lynn Townsend last week, we do still have one piece of property for which we do not have proof of ownership.

Enclosed please find a computer-generated report that shows the property still in question. Please provide our office with additional proof of ownership for the indicated property. Again, we thank you for your assistance. We will complete the process as soon as you have provided the necessary documentation.

If you have any questions regarding this matter, please call Kari Lynn Townsend at 208-287-4952.

Sincerely,

RE: Change in Ownership for Water Rights 65-3249A, 65-3249B, 65-6624, 65-7382, & 65-8079

Dear Mr. & Mrs. Hicks:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

 X **Filing Fee** of \$25 per water right (Our records indicate that water right 65-3249 has been split into parts A & B, thus requiring a separate fee for each right. An additional \$25 will be required to complete the ownership change.)

 X **Evidence of Water Right Ownership:** Owners Policy and attached legal description that were provided do not include the properties shown on each of the above water rights. Enclosed are copies of the Partial Decrees for each water right, with the legal description highlighted in yellow. Please provide a proof of ownership for the highlighted properties.

 X **Legal Description of Property**

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be an *additional* \$25.

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary information and fees. If we do not receive the necessary information and fees within 30 days we will return your notice and all attachments and your notice will not be processed.

If you have any questions regarding this matter, please call Kari Lynn Townsend at 208-287-4952.

Sincerely,

Kandice McDermott
