Dear Mr. Barnes & Mr. Winkle:

One of the conditions of approval of your water Permit No. 65-7957 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before December 1, 1978. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise, the permit will lapse and be of no further force or effect.

Re: Permit No. 65-7957

921 S. Roosevelt
Boise, ID 83705

Gentlemen:

Enclosed is a copy of your approved Application for Permit No. 65-7957. We direct your attention to the conditions of approval as listed on the fourth page.

Please be advised that there is insufficient natural flow available in the Payette River and tributaries to provide water for a new appropriation throughout the entire irrigation season.

During the spring run-off each year, there may be a period of time in which the prior rights to the use of the natural flow and storage are filled leaving water available for your later-in-time permit. As the natural flow diminishes, however, there would be no water available for your right and unless you had arranged for an additional source of water to supplement the flow right, you may find that you have to cease irrigating in the middle of the season.

This information is provided so that you will not be misled into thinking that this permit will provide sufficient water thru the entire irrigation season.

If you have any questions regarding this matter, please feel free to contact this office.

Sincerely,
