The map is drawn on a grid. It shows a proposed project area. The label 'RAE' is written in the upper left quadrant. A line with an arrow points from 'RAE' to a small square labeled '16'. Another line with an arrow points from 'RAE' to a point labeled 'PD. Use'. Below '16' is the number '16'. To the right of '16' is the number '13'. Below '13' is the letter 'N'. A red stamp on the right side of the grid reads 'PERMIT REQUIRED'.

Dear Mr. Pruitt:

Re: Permit No. 65-7932

We acknowledge receipt of the affidavit submitted as proof of beneficial use for the above referenced permit.

Before a license can be issued, a field examination must be made by a representative of this Department. We cannot tell just when this examination will be made, but our examiner will try to contact you at the time he makes the examination so that you may show him the system.

If you have any questions regarding the field examination, please contact our regional office in Boise.

Dear Mr. Pruitt:

One of the conditions of approval of your water Permit No. 65-7928 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before November 1, 1978. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise, the permit will lapse and be of no further force or effect.
