Dear Mr. Henderlider:

Thank you for responding to our letter of September 30, 1981 by sending us a request for an extension of time on Permit No. 65-7763.

We find, however, that we cannot process your request because you did not fill in the area of the form which asked you to describe how much work had been completed toward development of the permit. The Idaho Code allows the Director to approve additional time for permit development if the permit holder can show that he has proceeded with reasonable diligence. Please describe as completely as possible any and all work including estimated costs associated with water developed under this permit.

Enclosed is your \$15.00 check No. 1615, 92-6/1241 and the extension of time form. Please return both on or before December 1, 1981.

If you have any questions please let us know.

Sincerely,
