Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

No change was made to water rights 55-7156A & 55-10267 as they have been disallowed and are no longer valid water rights. During further research, water rights 55-7430, 55-10120, & 55-10121 have been determined to be owned by the BLM by the SRBA courts. These rights will remain unchanged unless you are able to provide evidence of ownership from the BLM.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

for Jeff Peppersack, Manager
Water Right Permits Section
