JUGHANDLE EASEMENT
 The Easement shown on the "as-built" drawings by Building Department, Inc. dated 3/19/86 shall be an easement to allow those persons designated by the home-owners association of the Jughandle Estates Subdivision Nos 1 & 2 and Jughandle Highlands Subdivision Nos 1 & 2 to have limited access to use, maintain, replace, repair, test and any other service that would normally be associated with the up-keep of a water system. This easement is given to the homeowners association as long as the water system is the water system for these subdivisions.

In Re: Ident.No. 65-13013

*No response
req'd at this time.
Dr*

Dear Mr. Tuthill:

After reviewing the subject application with a member of your staff, Ms. Kay Walker, it appears that the point of diversion is located on property owned by me and described in the subject application as owned by Jughandle Corporation.

My predecessor merely granted an easement as to the use of the facilities used to divert the groundwater, not the facilities nor the land upon which they are situate.

I have provided a copy of the Easement Grant to your staff. It does not convey any ownership interest as claimed in the subject Application.

The purpose of this letter is to notify you that no notice of the diversion nor claim of ownership of the point of diversion was given to the owner thereof by the Jughandle Association.

When I last contacted the Secretary of the Association by phone in January of 1994, I was informed that the matter had been finally adjudicated and the appropriation process had been completed. My recent review of the file disclosed their claim of ownership to the point of diversion. Because they claimed ownership, no notice was given to the true owner by your staff.

At this point in time I merely wish to bring the matter to your attention in order to prevent any error in the granting of a appropriative claim to water preferential to my rights based on incorrect information.

I have notified your staff that I would try to negotiate a resolution of the matter prior to going forward with my planned development of my property and the water associated therewith and attempt to avoid any needless litigation or administrative problems this might otherwise pose.

By copy of this letter I am requesting that the Jughandle Homeowners' Association contact me for the purpose of meeting and resolving the matter.

Sincerely, *Jan L. Warnshuis*

TO: FILES 65-07573 AND 65-13013

FROM: KAY WALKER *KW*

RE: OWNERSHIP OF PROPERTY WHERE WELLS ARE LOCATED

Mr. Jan Warnshuis was in the office this morning regarding the water rights used by Jughandle Subdivisions in Valley County. Mr. Warnshuis owns the property which Jughandle's wells are located on. Jughandle does have a right of way easement to access and use these wells (see copy attached). However, Mr. Warnshuis would also like to access these wells for some additional homes (on his property) and was questioning the capacity of their system. He thought they had alot more water coming from the wells than the 0.23 cfs that we found through our theoretical findings.

Mr. Warnshuis had been in contact with a Mrs. Krumm, who is a representative of Jughandle Association, and she indicated that they had ownership of the property where the wells are located and did not want to discuss anything with him. Mr. Warnshuis wanted our Department to correspond with Jughandle and request they get together with him for a friendly meeting to discuss this situation. I told him it was not our place to initiate this type of meeting and it would be better if he did the corresponding.

Mr. Warnshuis asked that the Department not take any further action towards issuing licenses for Jughandle until they get this property ownership/right-of-way issue settled.

*Licensing will
be postponed until
SRBA Recommendations
made due to
nature of overlap.

McCall, Idaho 83638

Dear Sirs,

Thank you for responding to our letter of July 31, 1980.

We received your request for an extension of September 16, 1980.

In reviewing your request you stated that a well had been drilled and 100 hook-ups are in. However, only 20 homes are presently using water.

The Department can accept proof to beneficial use in situations such as yours, when provisions for hook-ups have been installed, but homes are yet to be constructed.

I have enclosed a proof to beneficial use card for your convenience, please fill it out and return.

If you decide however, to pursue a request for an extension of time a \$15.00 filing fee is required.

Your prompt attention to this is required as proof or extension was due on or before October 1, 1980.

Please respond within 20 days after receipt of this letter.

I hope this addresses any questions you may have, if not you can contact me at 334-4162.

Sincerely,

JIM JOHNSON
Water Distribution Supervisor

Gentlemen:

Re: Permit No. 65-7573

One of the conditions of approval of your water Permit No. 65-7573 was that evidence of the extent of development must be submitted to this office on or before October 1, 1980. (See last page of your approved permit). Enclosed is a postcard which may be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted. A request for extension of time form is enclosed for your convenience. Please note that a fee of \$15.00 must be submitted with this form.

Either the beneficial use postcard or a request for an extension of time must be received by this department on or before the above-mentioned date, otherwise, the permit will lapse and be of no further force or effect within sixty days.

Sincerely,

RITA FLECK
Sr. Secretary

RE: Application for Water Permit No. 65-7573 - Moosejaw Associates
65-7576 - James M. Hait

Gentlemen:

Enclosed you will find a legal notice which we wish to have published once a week for two consecutive weekly issues of your newspaper. We have inserted the publication dates allowing ample time for you to submit us a galley proof for review before publication.

After sending us a galley proof, proceed with the publication on the dates we have inserted, assuming the notice is correct. If we have any corrections, we will notify you before the first publication. If you cannot publish the notice on the proposed dates, please contact us immediately.

An affidavit of publication must be submitted to the Department along with the publication bill. In order to receive payment, the following certification must appear in the bill:

"I hereby certify that the foregoing account is just and correct, that the amount claimed is legally due, after allowing all just credits, and that no part of the same has been paid."

(Signature of Claimant)

Sincerely,

Bill Submitted
