CONDITIONS OF APPROVAL

a. Modifications to or variance from this license must be made within the limits of Section 42-222, Idaho Code, or the applicable Idaho Law. This right may be forfeited by five years of non-use.

b. The right to the use of the water hereby confirmed is restricted and appurtenant to lands or place of use herein described, and is subject to all prior water rights, as provided by the laws of Idaho.

c. Any water right confirmed in this license for hydropower purposes shall be junior and subordinate to all rights to the use of water, other than hydropower, within the State of Idaho that are initiated later in time than the priority of this license and shall not give rise to any right or claim against any future rights to the use of water other than hydropower, within the State of Idaho initiated later in time than the priority of this license.

Use of water under this right is subject to control by the watermaster of State Water District No. 65, Payette River.

Ernest &/or Jon K. Woodall
Box 5035
Boise, ID 83702

Dear Permit Holder(s):

A representative of this Department made an examination of the works covered by your Permit No. 65-7519 and has found the following:

Amount of water that can be recognized as beneficially used
under Idaho law: 0.07 cfs Source: Helende Creek trib to
Payette River, S. Fork

The maximum quantity diverted shall not exceed 2.4 acre feet per
year.

Point(s) of diversion: NESW, Sec. 24, Twp 9N, Rge 8E

Beneficial Use: Domestic use for 2 units within NESW, Sec. 24,
Twp 9N, Rge 8E

Priority date established: December 6, 1974

Conditions (if any): Use of water under this license is subject
to control by the watermaster of State Water District No. 65,
Payette River.

If you do not concur with these findings, please contact us within 10 days;
otherwise a water license will be issued as set forth above.

Sincerely,

JIM JOHNSON
Water Rights Supervisor

Dear Mr. and Mrs. Woodall:

Re: Permit No. 65-7519

One of the conditions of approval of your Permit No. 65-7519 was that proof of the extent of your beneficial use must be submitted to this office on or before January 1, 1985. Enclosed is a postcard which may be used to submit the required proof.

I understand that a field examination of your water distribution system and the extent of development has been conducted by one of our regional representatives. However, the proof of beneficial use postcard must be submitted to fulfill the requirements of 42-218a, Idaho Code and must be received by this department on or before the above-described notice. Within sixty days of the mailing of the lapse notice, the permit will no longer be of any force or effect.

Sincerely,

RITA I. FLECK

Dear Mr. and Mrs. Woodall:

One of the conditions of approval of your water Permit No. 65-7519 was that evidence of the extent of development must be submitted to this office on or before January 1, 1980. (See last page of your approved permit). Enclosed is a post card which may be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use post card or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise, the permit will lapse and be of no further force or effect within 60 days.

Sincerely,

RITA FLECK
