Dear Mr. & Mrs. Bruce:

A representative of this Department has made an examination of the works covered by your Permit No. 65-7487 and has found the following:

Quantity of water diverted: 0.30 cfs Source: ground water

Amount of water that can be recognized as beneficially used under
Idaho law: 0.07 cfs

The maximum quantity diverted shall not exceed 16 acre feet, or
4.5 af per acre, per year.

Point of diversion: SE $\frac{1}{4}$ SW $\frac{1}{4}$, Sec. 22, Twp. 9 N, Rge. 5 W, B.M.

Beneficial use: Irrigation of 3.5 acres within the SE $\frac{1}{4}$ SW $\frac{1}{4}$, Sec. 22,
Twp. 9 N, Rge. 5 W, B.M.

Priority date established: May 28, 1974

Our examiner's report indicates that the point of diversion and place of use is within the SE $\frac{1}{4}$ SW $\frac{1}{4}$ of Sec. 22, whereas your permit lists the SW $\frac{1}{4}$ SW $\frac{1}{4}$, Sec. 22. Therefore, it will be necessary to amend the permit before a water license is issued. Enclosed is a partially completed application for amendment for your use in this matter.

Please sign the application and return it to this office along with a \$10.00 filing fee within 30 days in order that we might issue your license as set forth above. If you do not concur with these findings or have any questions, please contact us within the 30-day period.

Re: Permit No. 65-7487

Mr. & Mrs. Claude Beuce
Route 1, Box 239
Payette, Idaho 83661

Dear Mr. & Mrs. Beuce:

One of the conditions of approval of your water Permit No. 65-7487 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before August 1, 1975. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.
