Subject: Application for Permit No. 01-10401

Dear Mr. Warner:

Enclosed for filing with your office is the original "Amended" Application for Permit No. 01-10401 in the amount of 157,000 acre feet. The amendments to the application have been initialed and dated pursuant to Idaho Code § 42-211. Since the amendments result in less water than sought in the initial application, I understand that the amended application will not need to be noticed again. If you determine differently, please contact me at 208-378-5306 before processing the application further.

Thank you for your assistance.

Sincerely,

E. Gail McGarry
