Gentlemen:

One of the conditions of approval of your above referenced water permits (see last page of approved permits) was that evidence of the extent of development be submitted to this office as proof of application of water to beneficial use, on or before February 1, 1974. Enclosed are affidavit forms which must be used to submit the required proof of beneficial use.

If you have not fully completed your projects, and you have not previously received extensions of time, you may request an extension of time provided the delay is for reasonable causes as indicated in Section 42-204, Idaho Code, amended.
