RE: Change of Ownership for Water Rights 57-179, 57-180B, 57-7152
& 57-7385, 57-11544

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights (57-179, 57-180B, 57-7152) to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

Water Right 57-11544 was disallowed in the Snake River Basin Adjudication process and is no longer a valid water right. Because water right 57-7385 is still in the permit stage, an Assignment of Permit will be required to complete the ownership change. Enclosed is an assignment form for your use, along with a return envelope. Please note that while there is a \$25 filing fee required, the fee you filed for the ownership change will be applied.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

for Jeff Peppersack, Manager
Water Right Permits Section
