R. Keith Higginson, Director

We are enclosing proof of application of Water to Beneficial Use under application # 43-7015. We do not anticipate at this time drilling the well shown in the application in the NE $\frac{1}{4}$ of SE $\frac{1}{4}$ of Section 25. But we would like the permit extended for a period of three (3) years to permit the drilling of a domestic and stock water well as outlined in paragraph 5 of the permit.

This well would be drilled within the confines of the South 160 acres of this 320.

If any fee is required for the extension of this domestic and stock water well permit, please advise the amount and we will promptly remit.

Very Truly Yours,
