RE: Claim No. 43-4122

Dear Claimant:

The Department of Water Resources has completed the advertising of your claim to a water right, and no further action is authorized under Section 42-243 and 42-244, IDAHO CODE. Your claim will be retained in our files and will be available at any time for use by you or the court.

The filing and advertising of the claim does not confirm the water right claimed, but will serve to record and preserve the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included with the claim, you may have that information or evidence added at any time. Please refer to the claim identification number when corresponding with this office.

We are enclosing a copy of your claim for your records. If you have questions, or if this office may be of further assistance, please feel free to contact us.

Yours truly,

LOREN O. HOLMES
Southern Region Supervisor

Enclosure

STATE OF IDAHO

Section 42-225a, Idaho Code

CLAIM TO A WATER RIGHT

Under the provisions of Section 42-225a, Idaho Code, a person may file a claim to a right to use water which has been established by diversion and application to beneficial use. **The filing of this claim does not confirm the water right but will serve for information purposes only.** It may, however, become the basis for future adjudication of the water right by the Court.

Notice is hereby given that Rodney Hall (name of claimant)
of Malta, Idaho (mailing address), claims a right to the diversion and beneficial use of
the public water of the State of Idaho

The extent and nature of said claim is as follows:

- (1) Describe source of water: (name of stream, lake, spring, etc., or ground water) Ground Water
_____, tributary to, _____

- (2) Describe the purpose for which the water has been used and the time during the year when you have used the right claimed:

Amount	<u>2.0 cfs</u>	Use	<u>Irrigation</u>	Period of Use:	From	<u>3-15</u>	To	<u>11-15</u>
Amount	_____	Use	_____	Period of Use:	From	_____	To	_____
Amount	_____	Use	_____	Period of Use:	From	_____	To	_____
	(cfs, gpm or a/f)		(dom., irri., stock, etc.)					(both dates inclusive)

- (3) Total quantity of water claimed: 2.0 cubic feet per second, or _____ acre feet per annum, and/or _____ gallons per minute.

- (4) Priority claimed: (the date water was first applied to beneficial use) April 1, 1933

A claim is not acceptable on a ground-water source with a priority later than March 25, 1963 or on a surface-water source with a priority later than May 20, 1971. An exception to this rule is that a claim may be filed on domestic use from a ground-water source.

- (5) A) Point of diversion: (give location of point where water is diverted from its source) **Well #2**
NE ¼ SE ¼, Sec. 19 Twp. 13S Rge. 27E B. M. County of Cassia

Additional points of diversion:

- B) Describe means of diversion of water: (pump and pipeline, well, diversion dam, reservoir, length of ditch and field, etc.) Give sizes and capacities; be as specific as possible. Well equipped with electric pump and motor.
Open ditch and gravity irrigation distribution system.

- (6) A) Describe location of use by listing number of irrigated acres within each 40-acre tract in appropriate box. If use is not for irrigation, place an "X" in appropriate box to show location.

[illegible]

Total No. of acres 400

- B) If the water is used for other than irrigation, fully describe that use, being as specific as possible: N/A

- (7) If you are claiming water as a member of an organization, list name of organization: N/A

- (8) Remarks This claim is an effort to clarify the water rights as established through diversion of water to beneficial use in the past. Many wells were hand dug or drilled at different times to provide water to the lands as described. The aggregate quantity of water is within the statutory limit as set by the State of Idaho.

Scale: 2 Inches equal 1 mile.

Map should show the location of the point of diversion and the place of use of the water by 40-acre subdivisions, section, township and range of the public land survey system.

State of Idaho)
County of Ada) ss.

Be it known that the undersigned, being duly sworn, deposes and says that he, she, they subscribed the foregoing claim to a water right, together with all attached information, and that the matters and facts therein are true to the best of the affiants knowledge.

Sworn to before me this 3rd day of August, 19 81.
