Point of diversion: SW $\frac{1}{4}$ SW $\frac{1}{4}$ Sec. 33, Twp. 15S, Rge. 25E, B.M.

Priority date established: Oct. 9, 1961

The point of diversion location found by our examiner is different from that listed under your permit, therefore, it will be necessary to amend the permit before a water license can be issued. We are enclosing a partially completed application for amendment for your use in this matter. Please sign the application and return it to this office with a \$10.00 filing fee.

Please be advised that there is also a \$17.00 licensing fee due, therefore, a fee totaling \$27.00 along with the completed application for amendment must be received by the Department within 30 days of the date of this letter in order that we may issue your water license as set forth above. If you do not concur with these findings or have any questions, please contact us within the 30-day period.

Sincerely,

BOBBY D. FLEENOR

Gentlemen:

It appearing to the Department of Water Administration that the terms and conditions of Permit G-30243/43-2538 to appropriate the public waters of the State of Idaho have not been complied with as to failure to submit adequate proof of completion of works and beneficial use of water,

you are hereby notified that under the provisions of Section 42-311, Idaho Code, as amended, said permit is hereby held for cancellation, and you are required to show cause before the Director of the Department of Water Administration on or before March 28, 1971, why said permit should not be cancelled.

Permit G-30243/43-2538 claims the use of 2.5 cubic feet per second of water, the point of diversion was to be located within the SE $\frac{1}{4}$ SW $\frac{1}{4}$, Sec. 33, T. 15S, R. 25E, B.M. and the permit was approved October 12, 1961.

Attention Mr. Donald J. Watts

Dear Mr. Watts:

I have contacted Oscar and William Jones concerning the above matter, and as far as Permit No. 30243 is concerned, they request that the description of a portion of the lands described, be changed by deleting the E $\frac{1}{2}$ SW $\frac{1}{4}$ of Section 32 and substituting the E $\frac{1}{2}$ SE $\frac{1}{4}$ of Section 32, Township 15S, Range 25 E. B. M., and to proceed to the licensing of this Permit.

As far as Permit No. G-28210, would you please send me a copy of the legal description and acreages of the lands you claim are irrigated from said well. When we receive this, we will check the same with our figures and advise.

Yours truly,

Dear Mr. Bedke:

This acknowledges the Notice of Proof of Completion of Works and Application of Water to Beneficial Use under Permit No. G-30243 in the name of Oscar & William Jones. Final Proof is to be made before you, as Notary on the 27th day of September, 19 66, at ~~xxxxxxxxxxxx~~ 1416 Overland, Burley, Idaho, Idaho.

As of this date, we have mailed the Notice to the Burley Herald Bulletin, with instructions to publish it once a week for four consecutive weeks prior to the date set for final proof and then mail the Affidavit of Publication and statement of costs to ~~you~~ **William Jones**.

It is important that the enclosed depositions be executed by the permit holder and two disinterested witnesses who are familiar with the terms of the permit and the work done thereunder, at the time, on the date and before you, as Notary, as stated in the publication notice. It is very important and necessary that each question be answered in detail.

In returning the depositions to this office, be sure that all copies have been signed, that your Notary's seal has been placed on each and that all depositions, (holder and two witnesses) are being returned. Also be sure to enclose the AFFIDAVIT OF PUBLICATION.

Very truly yours,

M. Russell Bosch

Dear Mr. Bedke:

The date for proofs of Completion of Works and Application of water to beneficial use, as set out under terms of Permit No. G-30243 Pt. are due not later than **Oct. 10, 1966**

Before these proofs can be made, the statutory requirement is that a notice of your intention of proof be published once a week for four consecutive weeks in a newspaper within the county in which the land is located. In completing the Notice of proof for publication, the information should be taken from your Permit, including any amendments made in connection with a change of point of diversion or land list, which has been recorded in this department. If changes have been made and no amendments are on record, we advise you request a form for this purpose before your Notice is published.

We enclose Form 36, in duplicate, which is to be filled out and returned to this department at least FORTY (40) DAYS BEFORE THE MENTIONED DATE, (allowing for four weeks publication). Please give the name of the town, the address of the place where the depositions will be executed, and, the name of the notary public before whom you will appear to make the depositions of proof (this may be at any place convenient for you and your two witnesses), the quantity of water filed; for what purpose it is used; the point, or points, of diversion; and the location of use or the lands which are irrigated - - all by legal land description.

Enclosed also is Form 11, which is the authorization for us to have the notice published in the designated county newspaper at your expense. This is to be returned with two Forms 36.

At the time we send the notice to the newspaper we will send to you the forms for the depositions of holder and two disinterested witnesses. It is important that the depositions be executed at the time, on the date set, at the place named, and before the notary public, as advertised in the publication notice.

Very truly yours,
