Dear Mr. Kloepper:

This acknowledges the Notice of Proof of Completion of Works and Application of Water to Beneficial Use under Permit No. G-26987, in the name of Charles R. Ward, Malta, Idaho. Final Proof is to be made before you, as Notary on the 12 day of October, 1962, at 2.00 o'clock P. M., at Burley, Idaho.

As of this date we have mailed the Notice to the Burley Herald with instructions to publish it once a week for four consecutive weeks prior to the date set for final proof and then mail the Affidavit of Publication and statement of costs to you.

It is important that the enclosed depositions be executed by the permit holder and two disinterested witnesses who are familiar with the terms of the permit and the work done thereunder, at the time, on the date and before you, as Notary, as stated in the publication notice. It is very important and necessary that each question be answered in detail.

In returning the depositions to this office, be sure that all copies have been signed, that your Notary's seal has been placed on each and that all depositions, (Holder and two witnesses) are being returned. Also be sure to enclose the Affidavit of Publication.

Very truly yours,

Dear Mr. Kloepper:

We have your letter of May 11 in regard to making final proof on the above mentioned permit in which you state Charles Ward has purchased Grover Ward's interest.

We are enclosing a form for Grover Ward and wife to sign, assigning his interest to Charles Ward. After the assignment is recorded the proofs can then be made in the name of Charles Ward, and the Certificate and License will be issued in his name. A \$.50 recording fee is required in connection with the assignment.

If Mr. Ward is prepared to make proof of Completion of Works and Beneficial Use of the Water we will send the necessary forms upon your request; however, the proofs are not due until July 15, 1962.

Dear Mr. Kloepfer:

This acknowledges the Notice of Proof of Completion of Works and Application of Water to Beneficial Use under Permit No. G-26987, in the name of Charles R. Ward, Malta, Idaho. Final Proof is to be made before you, as Notary on the 12 day of October, 1962, at 2.00 o'clock P. M., at Burley, Idaho.

As of this date we have mailed the Notice to the Burley Herald with instructions to publish it once a week for four consecutive weeks prior to the date set for final proof and then mail the Affidavit of Publication and statement of costs to you.

It is important that the enclosed depositions be executed by the permit holder and two disinterested witnesses who are familiar with the terms of the permit and the work done thereunder, at the time, on the date and before you, as Notary, as stated in the publication notice. It is very important and necessary that each question be answered in detail.

In returning the depositions to this office, be sure that all copies have been signed, that your Notary's seal has been placed on each and that all depositions, (Holder and two witnesses) are being returned. Also be sure to enclose the Affidavit of Publication.

Very truly yours,

Re: Permit No. G- 26987

Date: May 3, 1962

Grover L. & Charles R. Ward
Malta, Idaho

Gentlemen:

The date for proofs of Completion of Works and Application of Water to Beneficial Use, as set out under the terms of Permit No. G- 26987 are due not later than July 15, 1962

Before these proofs can be made, the statutory requirement is that a notice of your intention of proof be published once a week for four consecutive weeks in a newspaper within the county in which the land is located. In completing the Notice of proof for publication, the information should be taken from your Permit, including any amendments made in connection with a change of point of diversion or land list which has been recorded in this department. If changes have been made and no amendments are on record, we advise that you request a form for this purpose before your Notice is published.

We enclose Form 36, in duplicate, which is to be filled out and returned to this department at least forty (40) days before the mentioned date, (allowing for four weeks publication). Please give the name of the town, the address of the place where the depositions will be executed, and, the name of the notary public before whom you will appear to make the depositions of proof (this may be at any place convenient for you and your two witnesses), the quantity of water filed; for what purpose it is used; the point of, or points of diversion; and the location of use of the lands which are irrigated -- all by legal land description.

Enclosed also is Form 11, which is the authorization for us to have the notice published in the designated county newspaper at your expense. This is to be returned with Form 36.

At the time we send the notice to the newspaper we will send to you the forms for the depositions of holder and two disinterested witnesses. It is important that the depositions be executed at the time, on the date set, at the place named and before the notary public, as advertised in the publication notice.

Very truly yours,

GEO. N. CARTER

Dear Mrs. Rule:

Enclosed find Assignment from Grover L. Ward and wife, to Charles R. Ward, Permit No. G-26987. We plan to proceed with the final proofs. I have this question to ask: Under Paragraph 2 of Application for Permit, quantity of water claimed shows 160 miners inches, rate of withdrawal in cubic feet shows the amount 3.2, which is crossed out and in ink is inserted 1.2. Would you kindly inform me as to the proper amounts to be put in the Notice of Proof forms under Paragraphs 2 and 3. Thank you for your attention on this matter.

Gentlemen:

Mr. Charles R. Ward has consulted me regarding proofs of completion of works and application of water to beneficial use on the above permit.

Charles Ward has bought out Grover L. Ward on the property and the water applicable thereon and I am inquiring at this time as to whether or not we should proceed as Charles R. Ward and Grover L.
