RE: Permit No. G-26559

Mr. Dean Kloopfer
Attorney at law
Idaho Bank & Trust Co. Building
Burley, Idaho

Att: Mr. Dean Kloopfer

Dear Sir:

We have your letter of October 20th, stating that you are prepared to make proofs of completion of works and beneficial use on Permit No. G-26559 in the name of Ward Brothers.

Before these proofs are made, the statutes require publication of a notice once a week for four weeks in a county newspaper. This notice should be made in duplicate on Form 36 enclosed, setting the time and place and naming the notary public before whom the proofs are to be made.

The proofs may be made at any place convenient for the Permit holder and his two witnesses but the date must be set far enough ahead to allow for four weeks publication.

Both copies of Form 36 to be returned to this department together with Form 11 which is the Permit holders authorization for us to have the notice published at his expense in the designated county newspaper.

We shall then send a copy of the notice to the newspaper with instructions in regard to publishing and shall send you the forms of deposition to be executed by the permit holder and two disinterested witnesses in making these proofs.

Very truly yours,
