Dear Mr. Ward:

In reply to your letter of September 24, we are sending you ~~under separate cover~~, two of Form 3 which you state you wish to use in order to submit duplicate copies to the Land Office in connection with a desert land entry.

For your information, will say that the Land Office will require either your original Permit and one copy or a certified copy of the original Permit and one additional copy.

Since most Permit Holders wish to keep the original Permit for their own files, it has been the custom of this department to furnish a certified copy and an extra copy to the Land Office, the fee for which amounts to \$2.00, and we shall be glad to make these extra copies for you if you so desire.
