Dear Mr. Oman:

We acknowledge receipt of the depositions of yourself and two witnesses, also affidavit of publication in The Burley Herald, all submitted in proof of completion of Works and beneficial use on the above captioned Permit.

Before final action is taken in the matter, the law requires that a field examination be made by an engineer from this department.

We cannot tell just when this examination will be made, but our field engineer will try and contact you at the time he makes the examination so that arrangements may be made to show him over the grounds.

We enclose your application for extension of time, approved by the State Reclamation Engineer. This form should now be attached to your Permit of which it now becomes a part.

Gentlemen:

We have checked the notice on Permit No. 20173 of Harold G. Oman appearing in your issue of February 16, 1956, and find same to be correct with one important error:

In the fifth paragraph from the top the second line of same should read "used is W² NW¹, Sec. 33, ¹/₄ NE¹ and not Section 22 as published.

Please make this correction in your subsequent issues.

Dear Mr. Oman:

We are in receipt of your letter of January 30, 1950, in reply to Notice that your Permit No. 20173 is held for cancellation for failure to make Proof of Completion of works when due, on or before September 27, 1949.

The records in this Department show that under date of July 1, 1949, you were notified that these proofs were due, but if the works were so completed, prior to that date, you may still make Proof of such completion.

This proof may be made by having the enclosed forms of deposition executed by yourself and two witnesses before a Notary Public and returning to this Department with the statutory fee of \$5.00. The depositions should state definitely that the works were completed on or before September 27, 1949.

Dear Sir:

Under the terms of your permit No. 20173 you are required to complete your diversion works and make proof of beneficial use on or before September 27, 1949.

We enclose herewith a blank affidavit to be filled out, sworn to by you before a Notary Public of Justice of the Peace, and returned to this office on or before the above date, or within ten days thereafter, for the purpose of making proof of completion under the permit. Upon receipt of this affidavit in this office, provided the same satisfactorily shows the Completion of the Works substantially in accordance with the terms of the permit, together with a fee of \$5.00, a Certificate of Completion of Works will be issued to you.

We also enclose blank notice for proof of application of water to Beneficial Use under this permit, which should be filled out and returned to this office at least forty (40) days before the date upon which you wish to make proof. The proof must be submitted before a Notary Public or other officer authorized by law to administer oaths. The date for proof as set out in your permit, is September 27, 1949, and if proof is submitted subsequent to said date, your priority will be brought down a length of time equal to the time elapsing between the date proof should have been made and the date proof is actually made.

Very truly yours,

MARK R. KUPP
