RE: PERMIT NO. 11177
Mrs. Anna M. Erickson

MR. GUS L. ERICKSON
Almo, Idaho

Dear Sir:

We have your letter of June 15, in which you ask for an explanation of the license issued under the above permit, and its value.

It is rather a difficult matter for us to say what value this license has, since we do not have any records as to the amount of water in Almo Creek. However, we have gone over the decree adjudicating the waters of Almo Creek, and we find that you are not included in the decree. The cumulative total under the decree is 56.7 second feet. If there is sufficient water in the stream to satisfy the decreed rights and any permit rights which might be ahead of you, then you would be entitled to the amount of water authorized by your license, providing it is available.

Mr. H. H. Taylor, who is water master on Almo Creek, should be able to give you more information than anyone else with reference to the flow of Almo Creek, and also whether or not you are entitled to any water under your license.

Very truly yours,

R. W. FARIS

Madam:

This will acknowledge receipt, at this department, of your purported application for amendment under the above numbered permit, and I note that you describe the lands to be irrigated in your application as the same lands that appear on our records, to-wit: Lots 1 and 2, SE $\frac{1}{4}$ NE $\frac{1}{4}$ Sec. 4; Lots 3 and 4, SE $\frac{1}{4}$ NW $\frac{1}{4}$ Sec. 3, T. 15 S., R. 24 E., B.M.

Under the terms of your Permit No.-----~~11177~~-----, you are required to complete your diversion works on or before-----~~June 3 1918~~----- I enclose herewith blank affidavit to be filled out, sworn to by you before a Notary Public or a Justice of the Peace, and returned to this office on or before the above date, or within ten days thereafter, for the purpose of making proof of completion under the permit. Upon receipt of this affidavit in this office, provided the same satisfactorily shows the completion of the works substantially in accordance with the terms of the permit, together with a fee of \$5.00, a Certificate of Completion will be issued to you.
