Dear Mr. Williams:

Pursuant to your request, please find enclosed the application for a stockwater right which covers the development in section 9 that you want withdrawn. Also find enclosed the application to cover the stockwater development in section 15.

Before we can process the application for section 15, we need you to sign it on the third page. Please indicate your position in the corporation (president, part owner, etc...) along side of your signature.

We also need to correct the filing fees. We would like to return the first check you left at the office which covered both filings. However, before we can return this check we will need to void the receipt we gave you. To clear this matter, please return the receipt along with the signed application (you don't need to return the withdrawn application) and enclose a new check for \$30.00 to cover the application fee for the filing you wish to pursue. We will return your original check when we can void the original receipt.

Your prompt attention is appreciated. If you have any questions feel free to contact our office.
