CONDITIONS/REMARKS:

1. The maximum diversion volume is defined as the maximum allowable volume of water that may be diverted annually from the source under this right. The use of water confirmed by this right is limited to the amount which can actually be beneficially used. The maximum diversion volume may be adjusted to more accurately describe the beneficial use or to implement accepted standards of diversion and use efficiency.
2. This water right is appurtenant to the described place of use.
3. This right is subject to all prior water rights and may be forfeited by five years of non-use.
4. Modifications to or variance from this license must be made within the limits of Section 42-222, Idaho Code, or the applicable Idaho law.
5. This right when combined with all other rights shall provide no more than .02 cfs per acre nor more than 3.0 afa per acre for the lands above.

RECEIVED
JUN 24 1983

BEFORE THE DEPARTMENT OF WATER RESOURCES

OF THE

STATE OF IDAHO

IN THE MATTER OF CHANGING THE MEASURING
DEVICE REQUIREMENT FOR PERMIT NO. 32-7015

ORDER

WHEREAS, the above numbered permit was approved with the condition that a measuring device of a type approved by the Department be permanently installed and maintained as part of the diverting works; and,

WHEREAS, on July 1, 1978, the Department adopted a new water measurement condition which states: "An access port or other device as specified by the Department shall be installed by the permit holder to provide for the installation of measuring equipment and the determination of the rate of diversion by the Department"; and,

WHEREAS, the former condition required the permit holder to purchase and install a measuring device or hire a professional engineer to certify the rate of diversion; and,

WHEREAS, the measuring device condition effective July 1, 1978, requires less capital expenditure by the permit holder; and,

WHEREAS, to be equitable to holders of permits issued prior to July 1, 1978, the new condition should be retroactive;

NOW THEREFORE, it is hereby ordered that the condition of approval of this permit related to water measurement is hereby changed as follows:

"The permit holder shall either install a measuring device or provide a certified measurement by a professional engineer or install an access port or other device as specified by the Department".

APPLICATION FOR EXTENSION OF TIME

Department of Water Resources

State of Idaho)
County of Bannock)

Permit No. 32-7015

C. K. CATTLE, INC. of 343 West Clark, Pocatello
(name) (address)

State of Idaho 83201, being first duly sworn, upon his oath deposes and says:

That he is the holder, or the duly authorized agent of the holder *, of Permit to Appropriate the Public Waters of the State of Idaho No. 32-7015.

That under the terms and conditions of said permit, work thereunder was required to be completed on or before May 1, 1978.

That he has heretofore performed the following work described under said permit:
Well drilled 380 feet being a 20 inch hole, a copy of the well driller's report is appended hereto and incorporated. 3 concrete pads have been poured for 3 1/4 mile circles to be installed; the power line has been run to the property and installed underground from the edge of the property to the well costing \$10,000.00 plus

Costing \$ 10,000.00 plus

That he is unable to complete the remainder of the work within the required time for the following reasons, to-wit: That the property is still under litigation and until there is an adjudication of the issues, ownership of the property is not assured, financing is not available, and the date these matters can be completed is uncertain.

Wherefore, he asks that the Department of Water Resources extend the time for the completion of obligations under said permit to May 1, 1983.

IN THE MATTER OF CHANGING THE MEASURING
DEVICE REQUIREMENT FOR PERMIT NO.32-7015

ORDER

WHEREAS, the above numbered permit was approved with the condition that a measuring device of a type approved by the Department be permanently installed and maintained as part of the diverting works; and,

WHEREAS, on July 1, 1978, the Department adopted a new water measurement condition which states: "An access port or other device as specified by the Department shall be installed by the permit holder to provide for the installation of measuring equipment and the determination of the rate of diversion by the Department"; and,

WHEREAS, the former condition required the permit holder to purchase and install a measuring device or hire a professional engineer to certify the rate of diversion; and,

WHEREAS, the measuring device condition effective July 1, 1978, requires less capital expenditure by the permit holder; and,

WHEREAS, to be equitable to holders of permits issued prior to July 1, 1978, the new condition should be retroactive;

NOW THEREFORE, it is hereby ordered that the condition of approval of this permit related to water measurement is hereby changed as follows:

"The permit holder shall either install a measuring device or provide a certified measurement by a professional engineer or install an access port or other device as specified by the Department".

Defendants Laverre Park and Gertrude Park, husband and wife, and Blaine L. Park and Barbara L. Park, husband and wife, and Reed N. Park and Janet Park, husband and wife, following the execution and recording of the Contract of Sale caused the

revised
property included therein to be deeded to defendant C. K. Cattle, Inc., an Idaho corporation. [Defendant C. K. Cattle, Inc. received the deed with constructive notice of the interest of plaintiff Robert Ricks in said property and therefore subject to his interest therein.]

V

revised
By virtue of the deed, as aforesaid, plaintiff Robert Ricks should not be required to give the written notice of default called for in the contract, prior to the bringing of this complaint.

VI

revised
Plaintiff Robert Ricks elects, under the Contract of Sale, to foreclose said Contract of Sale as a real estate mortgage to collect the sums owing to plaintiff Robert Ricks thereunder.

VII

revised
Plaintiff Robert Ricks has been required to retain legal counsel to bring this action and to foreclose the sale. He is obligated to pay legal counsel a reasonable attorney's fee. Such fee is estimated to be in the sum of \$7,500.00.

VIII

revised
Plaintiff Robert Ricks may be required to pay real estate taxes or otherwise to expend sums in the protection of the property during the pendency of this action and is entitled to a judgment for such sums together with interest from the date advanced until repaid.

Clark; First Security Bank of Idaho, N.A.; Pillsbury Company; Exxon Co.; Jack E. Minor Credit Service Co.; Credit Bureau of Eastern Idaho; Dan J. Walker; Idah-Best, Inc.; James Kaler; and Simplot Livestock Company claim an interest or estate in said premises, adverse to the plaintiffs, by virtue of a claim of said defendants against Blaine L. Park, Barbara L. Park, Reed N. Park, Janet Park or Park Brothers Dairy, Inc. Any and all interest of said defendants, and each of them, is subordinate and inferior to the claim, interest and title of plaintiffs.

X

encl
Defendant, the United States of America, claims some interest in the premises by virtue of Internal Revenue Service liens filed with the County Recorder of Jefferson County, Idaho, on the dates hereinafter specified, with the taxpayer, amount claimed, and identification of lien, as follows:

<u>Taxpayer</u>	<u>Amount</u>	<u>Recording</u>
Blaine L. Park and Reed N. Park	\$12,986.24	July 7, 1972 Instrument No. 162776
<i>and</i> Park Brothers Dairy, Inc., Blaine L. Park, and Reed N. Park	770.46	August 23, 1974 Instrument No. 171876
Park Brothers Dairy, Inc., Blaine L. Park, and Reed N. Park	1,115.09	August 29, 1974 Instrument No. 171932

The claim or interest of the United States of America, by virtue of the tax liens, is subordinate and inferior to the claim, interest and title of plaintiffs.

XI

will
The State of Idaho claims some interest in the premises by virtue of tax liens filed against Blaine L. Park, Reed N. Park and Park Brothers Dairy, Inc. on July 8, 1974, as Instrument No. 171294, records of Jefferson County, Idaho, with the liens in the amount of \$284.55 and \$20.05. Said liens are subordinate and inferior to the claim, interest and title of plaintiffs.

XII

will
Plaintiffs do not know whether there are other persons who claim an interest or estate in said premises adverse to plaintiffs; if there are any such persons, their names are unknown to plaintiffs; therefore plaintiffs have made said persons or parties defendant under the designation and description of the "Unknown Claimants" of the above described property. Any claim, interest or estate of any such other persons is subordinate and inferior to the claim, right and ownership of plaintiffs thereto.

WHEREFORE, plaintiffs demand judgment as follows:

1. That plaintiff Robert Ricks have judgment against defendants Lavere Park and Gertrude Park; Blaine L. Park and Barbara L. Park; and Reed N. Park and Janet Park for \$32,000.00 principal, for interest thereon at eight per cent per annum from June 30, 1972, until paid; for any sums advanced for the preservation of the property with interest; for reasonable attorney's fees, estimated at \$7,500.00, and for costs of suit.

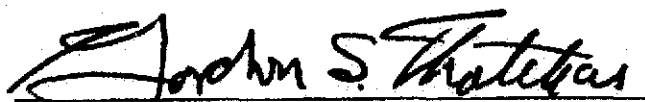

2. That it be adjudged and decreed that the interest of Robert Ricks in the Contract of Sale be foreclosed as a real estate mortgage against the real property described therein; that the usual decree be made for the sale of the real property by the Sheriff of Jefferson County, Idaho, according to the law and

practice of this court; that the proceeds of the sale, after expenses of sale, be applied to the judgment in favor of plaintiff Robert Ricks; that defendants, and each of them, and any persons claiming under defendants, either as purchasers, encumbrancers or otherwise, be barred and foreclosed of all rights, claims, or equity of redemption in the property or any part thereof.

3. That the court determine by the evidence the reasonable value of the real property and that following the sale that plaintiffs have judgment and execution against defendants Lavere Park and Gertrude Park, Blaine L. Park and Barbara L. Park, and Reed N. Park and Janet Park, for any deficiency which may remain after applying all of the proceeds of the sale towards the satisfaction of the judgment.

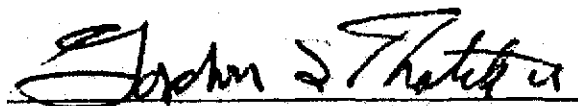

4. That the plaintiffs, or any other party to the suit, may become a purchaser at the sale; and that plaintiffs have such other and further relief as the court seem just and proper.

CASE NO. 1-1112

COMPLAINT

FEE CATEGORY A
FEE \$35.00

MICROFILMED

COMPLAINT

Plaintiffs complain and allege:

FIRST CAUSE OF ACTION

1. That Plaintiffs are, and at all times material hereto, have been the owners of the property described hereinabove free and clear of all liens and encumbrances and adverse claims except current taxes and assessments and are entitled to a decree of this court quieting the title to said property in favor of the Plaintiffs and against each and every one of the Defendants.

SECOND CAUSE OF ACTION

2. That on the 1st day of November, 1972, the Defendant C K Cattle Inc. wrongfully took possession of and placed of record in Jefferson County, Idaho, a certain Warranty Deed as Microfilm #163966, a true copy of which is annexed hereto as Exhibit A for identification.

3. That said deed had been inadvertently left by the Plaintiffs on a table at the law offices of the Defendant M. B. Clark where it had been prepared in anticipation of closing a real estate transaction with William T. Simmons and Thora Simmons, husband and wife, which transaction was not then and there completed because the terms and conditions required by William T. Simmons and Thora Simmons were not performed at that time and no consideration had then been paid.

4. That the said deed was never delivered to C K Cattle Company or anyone on its behalf with intent then and there to pass title to said property.

5. The said deed did not and has not at any time operated as a conveyance of title to C K Cattle Inc. an Idaho Corporation, and the record thereof should be vacated and expunged.

THIRD CAUSE OF ACTION

6. The Plaintiffs adopt each and every allegation heretofore made as allegations of this cause of action as fully as if repeated herein at length.

7. That no consideration was paid to or received by the

Plaintiffs for the deed mentioned hereinabove and that said deed was and is invalid and unenforceable and should be canceled and annulled.

FOURTH CAUSE OF ACTION

8. As an alternative cause of action the Plaintiffs adopt each and every allegation heretofore made as allegations of this cause of action as fully as if repeated herein at length.

9. That prior to the execution of the deed mentioned hereinabove the Defendant C K Cattle Company had offered and promised to pay to the Plaintiffs the sum of \$25,000.00 for a conveyance by the Plaintiffs to the Defendant C K Cattle Company of the premises described in said deed.

10. That if said deed be not canceled and expunged from the record then pursuant to the statutes of the State of Idaho and particularly Section 45-801 of the Idaho Code Plaintiffs have a Vendor's Lien upon the real property described in said deed for the purchase price of \$25,000.00 with interest thereon at the rate of 6% per annum from the 1st day of November, 1972, until paid, reasonable attorneys fees in the sum of not less than \$10,000.00 and costs of this action.

11. That said Vendor's Lien should be foreclosed according to the law and procedure and practice of this court and Plaintiffs should have judgment against the said C K Cattle Co. Inc. in the amount of any deficiency.

FIFTH CAUSE OF ACTION

12. As an alternative cause of action Plaintiffs allege that under date of January 1, 1971, Blaine L. Park and Barbara L. Park, husband and wife, and Reed N. Park and Janet Park, husband and wife, as buyers, agreed to purchase from the Plaintiffs the real property described hereinabove, a copy of which contract of sale is attached hereto for identification as Exhibit B and hereby referred to and made a part of this Complaint as fully as if set forth herein at length, which contract was duly recorded with the records of Jefferson County, Idaho, on March 2, 1971, as Instru-

ment #157239, and which contract by virtue of its terms obligated the said purchasers to pay to one Robert Ricks the sum of \$32,000.00 and accrued interest thereon at the rate of 8% per annum from June 30, 1972, until paid, as the purchase price of said property.

13. That on or about the 26th day of February, 1972, without having received any conveyance or title to the said described property, said purchasers made, executed and delivered to the Defendant Park Brothers Dairy, Inc., a Warranty Deed, a copy of which is annexed hereto as Exhibit C for identification, which deed was recorded as microfilm #160770 on the 16th day of February, 1972, in the records of Jefferson County, Idaho.

14. That neither the said Blaine L. Park, Barbara L. Park, Reed N. Park, Janet Park or Park Brothers Dairy, Inc., a corporation, made any payment to Plaintiffs or to the said Robert Ricks or to anyone for the account of either of them, as payment for or on account of the principal or interest required under the terms of said recited contract.

15. That on or about the 6th day of November, 1974, the said Robert Ricks together with Verla W. Ricks, his wife, commenced an action in the above entitled court as Case No. 1-606 against the parties hereto for the recovery of said sum of \$32,000.00 principal with interest thereon at the rate of 8% per annum from June 30, 1972, for sums advanced for the preservation of the property with interest and for reasonable attorneys fees of not less than \$7,500.00 and for the foreclosure by the said Robert Ricks as a real estate mortgage against the real property described therein.

16. That the said \$32,000.00 was part of an indebtedness previously owed by the Plaintiffs to the said Robert Ricks and to protect the property described in said contract and other property belonging to the Plaintiffs, the Plaintiffs were obliged to and did pay to the said Robert Ricks large sums of money all in excess of \$100,000.00 and on the 31st day of December, 1975, did

receive from the said Robert I. Ricks an assignment, a copy of which is annexed hereto for identification Exhibit D and a Quitclaim Deed, a copy of which is annexed hereto for identification as Exhibit E, both of which were duly acknowledged and are hereby referred to and made a part of this Complaint.

17. That by reason thereof the Plaintiffs became entitled to and are subrogated to all the right, title and interest of Robert Ricks and Verla W. Ricks and are entitled to a lien against the above described premises in the sum of \$32,000.00 plus interest thereon at the rate of 8% per annum from June 30, 1972, until paid together with reasonable attorneys fees in the sum of not less than \$10,000.00 and costs of suit and to have said lien foreclosed as a real estate mortgage with a judgment for any deficiency.

18. That the reasonable market value of said land at this time with a dry well thereon is the sum of \$16,000.00 and no more.

SIXTH CAUSE OF ACTION

19. Plaintiffs adopt each and every allegation of the preceding allegation as allegations of this cause of action as fully as if repeated herein at length.

20. As an alternative cause of action Plaintiffs allege that if Plaintiffs are denied relief under the preceding causes of action, then the Defendants, and particularly the Defendant C K Cattle Inc., have been and will be unjustly enriched by reason of the payments made by Plaintiffs to the said Robert Ricks in the amount of \$32,000.00 with interest thereon at the rate of 8% per annum from June 30, 1972, until and including the 31st day of December, 1975, and attorneys fees in the sum of \$7,500.00, and interest on the total thereof at the rate of 8% per annum from the 31st day of December, 1975, until paid, and Plaintiffs should have judgment for said sum together with the allowance of reasonable attorneys fees for Plaintiffs' attorney in this action in the sum of not less than \$10,000.00, that all of said sums should be declared to be a lien upon the above described premises prior to all claims of the Defendants.

WHEREFORE Plaintiffs demand judgment as follows:

1. That said Defendants and each of them be required to set forth the nature of their claims, that all adverse claims of said Defendants and each of them may be determined by a decree of this court, that by such decree it be declared and adjudged by the above entitled court that Plaintiffs are the owners of said property free and clear of all claims of the Defendants and each of them, and that the said Defendants, their assigns, successors and each and every of them be forever barred and enjoined from asserting any claim whatever in or to said property.

2. That the deed heretofore recorded as microfilm #163966 and the record thereof be vacated and expunged.

3. That Plaintiffs herein be awarded reasonable attorneys' fees of not less than \$10,000.00.

4. In the alternative that it be declared that Plaintiffs have a Vendors' Lien against the said described premises for a purchase price of \$25,000.00 with interest thereon at the rate of 6% per annum from the 1st day of November, 1972, until paid, reasonable attorneys' fees in the sum of not less than \$10,000.00, and costs of suit, prior to the claims of the Defendants and each and every one of them.

5. In the alternative that Plaintiffs have subrogated to and are entitled to have foreclosed a lien against the said described premises, in the nature of a mortgage, for the sum of \$32,000.00 with interest thereon at the rate of 8% per annum from the 30th day of June, 1972, until paid together with reasonable attorneys fees in the sum of not less than \$10,000.00 and the cost of this action.

6. On the alternative that Plaintiffs have judgment for the unjust enrichment enjoyed by the Defendants and particularly the Defendant C K Cattle Co., in the amount of \$32,000.00 with interest thereon at the rate of 8% per annum from the 30th day of June, 1972, until and including the 31st day of December, 1975, plus \$7,500.00 attorneys fees, and interest on the total sum thereof at the rate of 8% per annum from the 31st day of December, 1975, until paid together with cost of suit herein including reasonable

attorneys fees in the sum of not less than \$10,000.00 in this action.

7. That if one of the alternative findings of a lien be adopted and declared by the above entitled court, then that said lien be foreclosed and an order made by the above entitled court that the said premises be sold by the Sheriff of Jefferson County, Idaho, according to the law and the practice of this court, the proceeds of said sale be applied to the amounts due the Plaintiffs, and Defendants and each of them and all persons claiming under them may be barred and foreclosed of all rights, claims or equity of redemption in and to said premises from and after the expiration of the period of redemption allowed by law.

8. That the Plaintiffs or any other parties to this action may become the purchaser at said sale; that the Sheriff issue a certificate of sale to said premises to such purchasers and after the period allowed for redemption has expired, the said Sheriff execute and deliver said purchaser or assignee thereof a Sheriff's Deed therefore, and that the purchaser of said premises be let in to the possession thereof, and that the Defendants and all persons who, after the commencement of this action, may come into possession thereof, deliver possession thereof to such purchaser or assignee, thereof upon production of the Sheriff Deed to said premises, and that in case such possession be refused that a Writ of Assistance be issued without further notice requiring the Sheriff of Jefferson County, Idaho to place and maintain the purchaser in quiet and peaceful possession of said land and premises covered by the Sheriff's Deed.

9. That Plaintiff have judgment for any deficiency remaining after said sale.

10. That the Plaintiffs may have such other and further relief as may be equitable and just in the premises.

Dear Mr. Clark:

One of the conditions of approval of your water Permit No. 32-7015 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before May 1, 1978. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.

Gentlemen:

Enclosed you will find a legal notice which we wish to have published once a week for two consecutive weekly issues of your newspaper. We have inserted the publication dates allowing ample time for you to submit us a galley proof for review before publication.

After sending us a galley proof, proceed with the publication on the dates we have inserted, assuming the notice is correct. If we have any corrections, we will notify you before the first publication. If you cannot publish the notice on the proposed dates, please contact us immediately.

An affidavit of publication must be submitted to the Department along with the publication bill. In order to receive payment, the following certification must appear on the bill:

"I hereby certify that the foregoing account is just and correct, that the amount claimed is legally due, after allowing all just credits, and that no part of the same has been paid."

(signature of claimant)

Very truly yours,

NORMAN C. YOUNG
District Engineer
