The application for water permit you submitted to the Boise Office in the name of Vaughn C. Anderson has been forwarded to this office for processing.

We are returning this application to you for the following information:

If you will make the above listed additions to Mr. Anderson's application and return it to this office with the necessary filing fee, we will be most happy to begin processing the application.

If you have any questions, please do not hesitate to contact this office.

Re: Permits No. 33575/31-2436 - Vaughn Anderson
31-7023 - Vaughn C. & Clara R. Anderson

Dear Mrs. Fleenor:

Pursuant to your letter of May 26, 1972, please find application for final proof on the above entitled permits.

I am sorry for the delay. I hope that my delay will not prejudice the Anderson's in making final proof. The delay was occasioned through misunderstanding at this office.

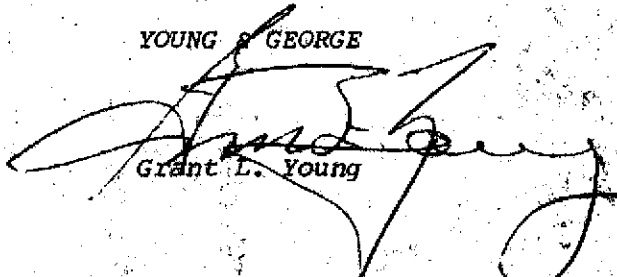

We received notice that permit #G33575 had lapsed. Will this letter by sufficient showing to reinstate the permit? If not, I would appreciate your advising me.

I am also enclosing an application for a new permit to cover adjacent land irrigated by the parties. It is the intention to make final proof as soon as the permit is granted.

I will appreciate hearing from you.

Yours very truly,

YOUNG & GEORGE
