Mr. Eugene I. Place

Dear Mr. Place:

Pursuant to our telephone conversation of this morning concerning your application No. 31-7060, our Boise Office has indicated that there are no other filings on the land in question in Section 6, Township 6N, Range 35E. The previous owner, Thomas Williams, amended Permit No. 31-2402 to include only land in Sections 1, 2 and 12 of Township 6N, Range 35E. Thus, there is no reason that we cannot consider your new application, No. 31-7060, and we will continue processing. We have corrected the typographical error in the land list, and it now appears as Section 6, instead of Section 16, Township 6N, Range 36E.

Your land in Section 12, Township 6N, Range 35E, is covered by a valid permit, No. 31-2423, in the name of Darrell T. Williams, Hamer, Idaho. The permit was amended in 1968 to read as follows: Amount - 6.4 c.f.s.; Point of diversion - NW $\frac{1}{4}$ NE $\frac{1}{4}$, Sec. 12, Twp. 6N, Rge. 35E; Place of use - SW $\frac{1}{4}$ NE $\frac{1}{4}$, E $\frac{1}{2}$ SW $\frac{1}{4}$, SW $\frac{1}{4}$ SW $\frac{1}{4}$, SE $\frac{1}{4}$, Sec 12, Twp. 6N, Rge. 35E.

Proof of beneficial use was filed on this permit on January 7, 1969. The Department attempted to make an examination on August 5, 1970, and found that the system was temporarily inoperative. We will plan to make the licensing examination this summer.

We are enclosing blank assignment forms for your use in getting this permit in your name.

Very truly yours,

NORMAN C. YOUNG
District Engineer
