RE: Telephone message

=====

A telephone message was left on my phone today by Todd Hansen, Regional Manager of Lend Lease Agri Business in answer to my letter of April 11, 2001 requesting a Security Interest filing fee of \$2,675.00 for 107 miscellaneous Blaine Larsen water rights.

Mr. Hansen stated that Lend Lease Agri Business has decided **NOT** to pay the fee. They understand that there will be no database update, but that copies of their December 8, 2000 correspondence will be placed in each file.

Jeff Peppersack has requested that a copy of this memo be placed in each file along with the Lend Lease correspondence.

RE: Security Interest for 107 miscellaneous Blaine Larsen water rights

Dear Mr. Hansen:

The Department of Water Resources acknowledges receipt of your Notice of Security Interest. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

- ☒ Filing Fee of \$25 per water right (107 water rights involved)
- ☒ Expiration date of Security Interest

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership or filing notice of Security Interest in a water right. The fee is \$25 per water right. We have determined that the filing fee for your notice will be \$2,675.00.

Because the Department cannot process the change without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees and other information within 30 days we will place your notice in the appropriate water right files without further processing.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

Please feel free to contact the Department if you have any questions.

Dear Mr. Johnson:

We acknowledge receipt of the affidavit submitted as proof of beneficial use for the above referenced permit.

Before a license can be issued, a field examination must be made by a representative of this Department. We cannot tell during which part of the irrigation season this examination will be made, however, our examiner will try to contact you at the time he makes the exam so that you may show him the system.

If you have any questions concerning the field exam, please contact our District Office in **Idaho Falls.**

Sincerely,

D. Darlene Reich

SUBJECT: Advertisement of Application for Permit No. 31-7053

DATE: October 8, 1971

The enclosed affidavit of publication indicates that the advertisement was incorrect, in that one 40-acre subdivision was omitted from the land list (SE $\frac{1}{4}$ NW $\frac{1}{4}$, Sec. 2). I do not believe that this error significantly affected the meaning of the advertisement. Unless it is mandatory that we readvertise on each error, I see no reason to do so in this case.

Gentlemen:

Enclosed you will find a legal notice which we wish to have published once a week for two consecutive weekly issues of your newspaper. We have inserted the publication dates allowing ample time for you to submit us a galley proof for our review before publication.

After sending us a galley proof, proceed with the publication on the dates we have inserted assuming the notice is correct. If we have any corrections, we will notify you before the first publication date. If you cannot publish the notice on the proposed dates, please contact us immediately.

An affidavit of publication must be submitted to the Department along with the publication bill. In order to receive payment, the following certification must appear on the bill:

"I hereby certify that the foregoing account is just and correct, that the amount claimed is legally due, after allowing all just credits, and that no part of the same has been paid."

Dear Mr. Johnson:

We have received your comments addressed to Mr. Dorian Clay dated August, 1971. We have researched lapsed Permit No. 31-7017 and find that in connection with that permit, you have submitted a \$50 application fee. Since you have lost that permit, the filing fee has also been lost.

We will need another fee for your new application to appropriate 7 cubic feet per second of water. The Department's fee schedule was raised on May 20, 1971 (a copy of which you will find enclosed). The new fee for 7 c.f.s. is \$85. Please submit the filing fee so that we may continue processing your application.

Your assistance in this matter is appreciated.
