A telephone message was left on my phone today by Todd Hansen, Regional Manager of Lend Lease Agri Business in answer to my letter of April 11, 2001 requesting a Security Interest filing fee of \$2,675.00 for 107 miscellaneous Blaine Larsen water rights.

RE: Security Interest for 107 miscellaneous Blaine Larsen water rights

Dear Mr. Hansen:

The Department of Water Resources acknowledges receipt of your Notice of Security Interest. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

☒ Filing Fee of \$25 per water right (107 water rights involved)

☒ Expiration date of Security Interest

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership or filing notice of Security Interest in a water right. The fee is \$25 per water right. We have determined that the filing fee for your notice will be \$2,675.00.

Because the Department cannot process the change without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees and other information within 30 days we will place your notice in the appropriate water right files without further processing.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

Please feel free to contact the Department if you have any questions.
