Dear Claimant:

Enclosed is a claim and check #92-238 for \$30.00 that were received by this office and a retyped claim.

To complete the typed claim, complete item 5A as to quarter-quarter section, item 6A as to location of the place of use, item 6B as to the # of domestic homes the well furnishes water to and the map so that it agrees with item 5A and 6A. To complete the map, label the point of diversion (where the well is) and place of use (where stock troughs and domestic home is located).

Upon receipt of the completed, signed, notarized claim and \$30.00 filing fee (before June 30, 1933) processing will begin.

It appears that the application for permit is not necessary to submit if the application is for the same system as the claim to a water right.

Sincerely,

KEITH C. WILSON
