Dear Mr. Dalton:

Enclosed are two claims submitted to the Department for the Forest Service. Unfortunately, corrections are required before processing can continue.

The priority date for the Pass Creek Spring claim should have a month, and possibly a day specified in addition to the year.

The map for the Limestone Gulch Spring claim shows the point of diversion in Section 13 while part 5 of the form describes it as being in Section 5. The description in part 5 should coincide with that given on the map.

The claims should be corrected and returned to this office as soon as possible so that we may continue to process them. Also enclosed you will find the voucher for \$750.00 that accompanied the claims. Please return this voucher with the two corrected claims.

Sincerely,
